

BREATHE

Breathe
Keep on breathing

Breathe in deep and true
Breathe in the Spirit
He gave to you

Take the cleansing breath
Choosing life over death

Breathe the air of freedom
Breathe the air of life
Breathe the Holy Spirit

Breathe for the heart
In through the lungs

Breathe to clean the brain
Breathe to ease the pain
Breathe in freedom again

Like the strong breeze
Ahead of the storm
Ahead of the hurricane

Like a tongue of fire
He is my one desire
