

## WAIT, WATCH AND LISTEN

GOD is good  
GOD is great  
I've said my prayer  
Now I wait

It could be "Yes"  
It could be "No"  
It could be "Wait"  
Or "Maybe so"

If I wait, watch and listen  
He will let me know

It may be a sign  
Or something revealed in HIS WORD  
An opportunity  
Or something said or heard

It could be the "still small voice"  
Gently whispering to my soul  
Working in ways I don't even know  
Mysterious means beyond my control

If I wait, watch and listen  
He will let me know

But then,  
What will I do?  
Will I follow HIS leading?  
Or,  
Follow my own?
