

WORSHIP IS LIFE

Isn't God Good?

Isn't it so wonderful to worship HIM?

Not just with a song in our mind, or ears or on our lips, or an instrument in our hands. Or even when reading The Word, or a reading a lyric or writing a prayer or a song to HIM.

Worship is even more than a lifestyle -
Worship is life itself.

It goes back to the question:

"What is man's chief purpose?"

And the answer:

"To Glorify God and enjoy HIM forever"
